**Refrein:**

Down by the dock-yard wall, I will wait for you,  
As you come across that walk a-shore in your suit-of blue,

- 1 A life on the ocean wave,  
A home on the rolling deep!  
Where the scattered waters rave,  
And the winds their re-evels keep.  
Like an eagle caged I pine  
On this dull unchanging shore.  
Oh give me the flashing brine  
The spray and the tempest'

- 2 Once more on the deck I stand,  
Of my own swift gliding craft.  
Set sail, Farewell to the land  
The gale follows fai-air abaft.  
We shoot through the sparkling foam,  
Like an ocean-bird set free.  
Like the ocean-bird, our home,  
We'll find far out on the  
sea-ea-ea-ea.

Refrein:

- 3 The land is no longer in view,  
The clouds have begun to frown.  
But with a stout vessel and crew,  
We'll say : Let the storm come down!  
And the song of our heart shall be,  
While the winds and waters rave  
A life on the heaving sea  
A home on the bounding  
wa-a-a -ave!

1 Wij enterden jaren geleden  
De prachtige bark Santa Fé  
Bracht wijn van Malaga naar Zweden  
Het fijnste hout nam zij weer mee  
Toen moest er bij haar laatste tochtje,  
Bij 't pakhuis iets mis zijn gegaan,  
Ze werd per vergissing wat docht je,  
Met tweehonderd vat rum belaa'n.

Refrein:

Toen dronken de piraten,  
de rum direct uit de vaten.  
De beste rum faldera, rum faldera, rum faldera.  
De beste rum faldera, rum uit Jamaica Ja-Ja!

2 De bark kon de rum niet verdragen,  
Het lag haar heel zwaar op de maag.  
Begon toen te kreunen en klagen,  
en zeilde verrekt slecht en traag.  
en schudde haar kont en 't roer.  
De kaptein zei bleekjes "nou gaat er,  
De bark gauw naar haar ouwe moer."

Refrein:

3 De kaptein zei "weg met die vaten,  
en donder de rum maar in zee."  
De crew zei dat zul je wel laten,  
Wij offeren ons op voor de Fee.  
We hebben de rum opgezopen,  
Piraten die zijn toch niet gek.  
De bark zeilde weer veertien knopen,  
en wij zeilden zwalkend aan dek.

1 Now if you want a merchant ship,  
to sail the seas at large  
You'll not have any trouble  
if you have a good discharge,  
Signed by the Board of Trade  
with everything exact,  
For there's nothing done  
on a Lime juice ship,  
contrary to the act

*Refrein:*

So Haul, boys, your weather-mainbrace and ease away your lee  
Hoist jibs and to-opsails lads, and let the ship go free,  
Hurrah, boys, hurrah! We'll sing this jubilee,  
To hell with the Navy boys, a merchant ship for me!

2 Now when you join a merchant ship,  
you'll hear your Articles read.  
They'll tell you of your beef and pork,  
your butter and your bread,  
Your sugar, tea and coffee, boys,  
your peas and beans exact,  
Your lime juice and your vinegar, boys, according to the Act.

*Refrein:*

3 Now watch and watch the first day out, according to the Act.  
' Ten days out we all lay aft  
to get our limejuice whack.  
Fetch-out her 'handy billy' boys,  
and clap it on the tack,  
For we-gonna set the mainsail, oh, according to the Act.

*Refrein:*

4 It's-up the deck, me bully boys,  
with many a curse we go,  
A'waiting to hear eight bells struck, that we may go below.  
The watch is called, the bell is struck, and the log is hove exact;  
Relieve the wheel and go below, according to the Act.

*Refrein:*

1 As I was going over the Kilkenny Mountains  
I met colonel Pepper and his money he was counting  
I rattled my pistols and I drew forth my sabre  
Saying "*stand and deliver!*", for I am a bold deceiver

2 The shining golden coins, did look so bright and jolly  
I took them with me home and I gave them to my Molly  
She promised and she vowed that she never would deceive me  
But the devil's in the women and they never can be easy

**Refrein:**

3 When I was awaken between six and seven  
The guards were around me in the numbers odd and even  
I drew my pistols, but alas I was mistaken  
For my Molly drew my pistols and a prisoner I was taken

**Refrein:**

4 They put me in jail, without judge or writing  
For robbing Colonel Pepper on the Kilkenny Mountains  
But they didn't take my fists, so I knocked the sentry down  
And I bid a long farewell to the jail in Sligo town

**Refrein:**

**(Meeklappen met solist)**

5 Now some take delight, in fishing and in bowling  
And others take delight, in their carriages a-rolling  
But I take delight in the juice of the barley  
And courting pretty girls in the morning so early

**In the town of Lunenburg down Nova Scotia way  
In nineteen twenty-one on a windy day  
A sailing ship was born, "Bluenose" was her name  
You'll never see her kind again**

**REFREIN:**

**Bluenose, the ocean knows her name  
Sailors know how proud a ship was she  
Bluenose, leading in the wind  
Racing ev'ry way on the sea**

**Her hull was long and black, her sails were snowy white  
She looked just like a young bird in flight  
And from the very first, the Bluenose loved to run

- 1 Call all hands to man the capstan  
See the cable run down clear  
Heave away, and with a will boys  
For Old England we will steer
- 2 Hands will sing in joyful chorus  
In the watches of the night  
And we'll sight the shores of England  
When the grey dawn brings the light

***Refrein:***

**Rolling home, rolling home  
Rolling home across the sea  
Rolling home to dear Old England  
Rolling home, dear land to thee**

- 3 Many thousand miles behind us  
Many thousand miles before  
Ancient ocean heave to waft us  
To the well-remembered shore
- 4 Cheer up Jack!  
bright smiles await you  
From the fairest of the fair  
And her loving eyes will greet you  
With kind welcomes everywhere

***Refrein:***

- 5 Eastward, eastward, ever eastward  
To the rising of the sun  
We have steered up ever eastward  
Since our voyage has begun
- 6 Off Cape Horn, on a winter morning  
Setting sails in ice and snow  
You could hear the shell-backs calling  
Hise the ra! and let her go!

1 In Dublin's fair city  
 Where the girls are so pretty  
 I first set my eyes  
 on sweet Molly Malone  
 As she wheeled her wheelbarrow  
 Through the streets,  
 broad and narrow  
 Crying: "cockles and mussels!"  
 Alive, alive-O

**Refrein: (twee keer)**

**Alive, alive-O-O**

**Alive, alive-O**

**Crying: "cockles and mussels!"**

**Alive, alive-O**

2 She was a fishmonger  
 And sure it's no wonder  
 For so where her father  
 and mother before  
 As they wheeled their wheelbarrow  
 Through the streets,  
 broad and narrow  
 Crying: "cockles and mussels!"  
 Alive, alive-O

**Refrein: (twee keer)**

**(Langzaam)**

3 She died of a fever  
 And no one could save her  
 So that was the end of sweet Molly Malone  
 Now her ghost wheels her barrow  
 Through the streets broad and narrow  
 Crying: "cockles and mussels!"  
 Alive, alive-O

- 1 The ship goes sailing down the bay  
**Goodbye, my lover, goodbye**  
We may not meet for many a day  
**Goodbye, my lover, goodbye**  
My heart will ever more be true  
**Goodbye, my lover, goodbye**  
Though now we sadly say adieu  
**Goodbye, my lover, goodbye**

***Refrein:***

**Bilo my baby, bilo my baby,  
Bilo my baby,  
goodbye, my lover, goodbye**

- 2 I'll miss you on the stormy deep  
**Goodbye, my lover, goodbye**  
What can I do but ever weep  
**Goodbye, my lover, goodbye**  
My heart is broken with regret  
**Goodbye, my lover, goodbye**  
But never dream that I'll forget  
**Goodbye, my lover, goodbye**

**Refrein:**

- 3 Then cheer up till we meet again,  
**Goodbye, my lover, goodbye**  
I'll try to bear my weary pain.  
**Goodbye, my lover, goodbye!**  
Though far I roam across the sea,  
**Goodbye, my lover, goodbye**  
My ev'ry thought of you shall be  
**Goodbye, my lover, goodbye!**

Die maken ons stapel, die maken ons ge-e-ek  
Sigaren en whisky en wilde wijven,  
Die maken ons stapel, die maken ons gek**

- 2 **Honger en dorst wordt al fluitend doorstaan  
Tevree zuigen zij op de laatste banaa-aa-aan  
Maar ze worden als boter met vrouwen in zicht  
Zelfs blinde André ziet ineens weer 't licht**

**Want....**

- 3 **Blauw zijn de mannen en groot is hun dorst  
Kroeg en bordelen, het is hen een wo-o-orst  
En worden ze dronken van het vele bier,  
de lonkende wijven en veel eetplezier**

**Want....**

- 4 **Ze hijsen de zeilen en varen weer uit  
De duizenden vrouwen die zwaaien ze ui-ui-uit  
Ze komen in havens en leggen dan aan  
Hetzelfde liedje begint weer vooraan**

**Want....**

- 5 **Ze zwoegen, ze zweten, ze stinken joegee  
Want ze zijn niet zo proper daar midden op zee-ee-ee  
Maar lullen als broekjes in 't havencafé  
Zelfs stinkende Jantje die wast dan z'n la-la-la-la-la-la**

1 As I roved by the dockside one evening so rare  
To view the salt water and take the salt air  
I heard an old fisherman singing this song:  
Oh, take me away boys, my time is not long

**Refrein:**

**Wrap me up in my oilskin and jumper  
No more on the docks I'll be seen  
Just tell my old shipmates,  
I'm taking a trip mates  
And I'll see you some day  
in Fiddler's Green**

2 Now, Fiddler's Green is a place, I've heard tell  
Where fishermen go if they don't go to hell  
Where the weather is fair and the dolphins do play  
And the cold coast of Greenland is far, far away

**Refrein:**

3 The sky's always clear and there's never a gale  
And the fish jump on board with a flip of their tail  
You can lay on your leisure, there's no work to do  
And the skipper's below, making tea for the crew

**Refrein:**

4 And when you're in dock and the long trip is through  
There's pubs and there's clubs and there's lassies there too  
The girls are all pretty and the beer is all free  
And there's bottles of rum growing on every tree

**Refrein:**

5 I don't want a harp, not a halo, not me  
Just give me a breeze and a good rolling sea  
And I'll play my old squeeze-box as we sail along  
With the wind in the rigging to sing me this song

**TUSSENSPEL MONDHARMONICA**

Die ouwe schuit zat boordevol met alcohol  
En ze hebben met z'n allen nog staan zwaaien,  
En nu zijn ze met z'n allen naar de haaien.  
Maar ze wisten wat er in de sterren staat,  
Dat een drankschuit vroeg of laat **ten onder gaat.**

**Refrein:**

- 2 Ik zit nog vaak in dat cafeetje aan de haven,  
En stel me voor hoe het aan boord moet zijn geweest.  
Ja, ze zaten met z'n allen aan de jajem,  
En verdwenen met z'n allen in de majem.  
Maar ze wisten wat er in de sterren staat,  
Dat een drankschuit vroeg of laat **ten onder gaat.**

**Refrein:**

- 3 Dus als ook jij een keer op zee zou willen varen,  
Kijk dan goed uit met de bemanning van die schuit.  
Want door de drank begint toch altijd het gedonder,  
Zo sta je boven, maar zo lig je er weer onder.  
Maar ook jij weet wat er in de sterren staat,  
Dat een drankschuit vroeg of laat **ten onder gaat.**

- 1 I've been a wild rover for many a year  
And I've spent all me money on whiskey and beer  
But now I'm returning with gold in great store  
And I never will play the wild rover no more

Refrein:

And it's No, Nay, never,  
No, nay, never no more  
Will I play the wild rover,  
No never no more

- 2 I went to an alehouse I used to frequent  
And I told the landlady my money was spent  
I asked her for credit, she answered me: "Nay,  
Such customs as you I can have any day"

Refrein:

- 3 I took from my pocket, ten sovereigns bright  
And the landlady's eyes opened wide with delight  
She said "I have whiskeys and wines of the best  
And the words I have told you were only in jest"

Refrein:

- 4 I'll go home to my parents, confess what I've done  
And I'll ask them to pardon their prodigal son  
And, when they've caressed me as oft times before  
I never will play the wild rover no more

Refrein: (twee keer, eerste keer À capella)

1 't Is een heel oud verhaal, mensen luister  
Over duivelse machten op zee  
Kapitein van der Decken staat op de kampanje  
Hij schreeuwt en hij vloekt dat het rookt  
Hij wil varen, wil weg uit Terneuzen  
Kijk, zijn schip ligt al klaar voor de reis  
Door het want raast een storm en giert woest door de haven  
Met dit weer vaart niemand uit

Refrein:

Daar doemt zij op uit dampige nevelsliert  
Zeilende tegen de wind  
Spookt door de nacht  
in eeuwigheid over zee  
Altijd tot sterven gedoemd

2 'Hijs de zeilen', beveelt van der Decken  
Wend de steven, wij varen nu uit  
Vol van schrik vroeg de boots: 'kapitein het is Pasen, varen brengt  
ongeluk'  
'Los de tros' klinkt het van de kampanje  
Hoog de zeilen, het schip kiest nu zee  
De bemanning doet morrend zijn werk,  
Slaat een kruis denkt bevend aan vrouw en kind

Refrein:

3 Na maanden op zee doemt de Kaap op  
Het schip slingert en stampet in een hel  
Uitgeput zijn de mannen  
na wekenlang zwoegen in hevige woeste storm  
'Keer toch terug' roep vertwijfeld de bootsman  
Blind van woede raast nu de kapitein  
'Ja met God of de duivel, de Kaap vaar ik om  
Als het moet tot in eeuwigheid'

Refrein:

4 Nooit is 't schip meer gezien in een haven  
Zeilt maar door, is vervloekt voor altijd  
Het zaait dood en verderf, aan het roer de kapitein,  
Dode mannen doen stil het werk  
't Is de Vliegende Hollander,  
Bloedrode zeilen,  
een varende geest op zee

There once was a ship that put to sea  
And the name of that ship was the Billy o`Tea  
The wind blew hard, her bow dipped down  
Blow, me bully boys, blow **(huh)**

**Refrain:**

**Soon may the Wellerman come  
To bring us sugar and tea and rum  
One day, when the tonguing' is done  
We'll take our leave and go**

She had not been two weeks from shore  
When down on her a right whale bore  
The captain called all hands and swore  
He'd take that whale in tow **(huh)**

**Refrain:**

Before the boat had hit the water  
The whale's tail came up and caught her  
All hands to the side, harpooned and fought her  
When she dived down below **(huh)**

**Refrain:**

For forty days or even more  
The line went slack then tight once more  
All boats were lost, there were only four  
And still that whale did go **(huh)**

**Refrain:**

As far as I've heard, the fight's still on  
The line's not cut, and the whale's not gone  
The Wellerman makes his regular call  
To encourage the captain, crew and all **(huh)**

- 1 Farewell to your bricks and morta-ar  
Farewell to your dirty lies  
Farewell to your gangers and gang planks  
To hell with your overtime  
For the good ship ragamuffi-in  
She's lying at the quay  
For to take ol' pat with a shovel on his back  
To the shores of botany bay
- 2 i'm on the way down to the quay  
Where the ship at anchor lays  
To command a gang of navvy-ys  
That they told me to engage  
I thought I'd drop in for a drink  
Before I went away  
For to take a trip on an emigra-ant ship  
To the shores of botany bay
- 3 The boss came up this morni-ing  
He says "well, pat you know  
If you don't get your navvys out  
I'm afraid you'll have to go"  
So I asked him for my wage-es  
And demanded all my pay  
For I told him straight,  
I'm going-to-emigrate  
To the shores of botany bay
- 4 And when I reach australia  
I'll go and look for gold  
There's plenty there-for-the digging of  
Or so I have been told  
Or else I'll go back to my trade  
And a hundred bricks i'll lay  
Langzaam :  
Because I live  
for an ei-eight hour shift  
To the shores of botany bay

- 1 In eighteen hundred and sixty one,  
Roll, alabama, roll  
This ship her building was begun  
Oh roll, alabama, roll
- 2 Oh, she was built in Birkenhead  
Roll, Alabama, roll  
Built in the yard of Jonathan Laird  
Oh, roll Alabama, roll
- 3 And down the Mersey  
she rolled one day,  
Roll, Alabama, Roll.  
Across the Western  
she ploughed her way,  
Oh Roll, Alabama, Roll.
- 4 But off Cherbourg  
the 'Kearsarge' laid tight,  
Roll, Alabama, Roll.  
Awaiting was Winslow  
to start a good fight,  
Oh Roll, Alabama, Roll.
- 5 Outside the three  
mile limit they fought  
Roll Alabama, roll  
And Semmes escaped  
on a fine British yacht  
Oh roll Alabama, roll
- 6 The 'Kearsarge' won,  
Alabama so brave,  
Roll, Alabama, Roll.  
Sank to the bottom,  
to a watery grave,  
Oh Roll, Alabama, Roll.

 And the crew began to roar.  
 Oh, oh, up she goes,  
 we're bound for Baltimore.  
 And he kissed her on the cheeks,  
 And the crew began to roar,  
 Oh, oh, up she goes, we're bound for Baltimore.

Refrein:

No more, no more,  
 we're going to sea no more,  
 As soon we reach the town tonight  
 We're leaving for the shore.

 Oh, oh, up she goes,  
 we're bound for Baltimore.  
 And he kissed her on the lips,  
 And the crew began to roar,  
 Oh, oh, up she goes, we're bound for Baltimore.

1 Well, It wouldn't be a sailor lad a-sailin' on the main,  
To gain the good will of his captain's good name?  
He came ashore one evening for to be,  
And that was the beginning of my own true love and me.

**Refrein:**

**And it's home, boys home,  
Home, I'd like to be  
Home for a while in me own count-a-ry,  
Where the oak and the ash and the bonny rowan tree  
They all are growin' green in the old count-a-ry**

2 Well I asked her for a candlelight to light me up to bed  
And likewise for a handkerchief to tie around my head.  
She came on my knee like a young maid ought to do,  
And I asked her, 'Darling dear, won't you jump in with me too?'

**Refrein:**

3 Well she jumped into my bed, making no alarm,  
Thinking a young sailor lad could do to her no harm.  
I hugged her and I kissed her the whole night long,  
Untill she wished the short night had been seven years long.

**Refrein:**

4 Well early next morning the sailor lad arose  
And in Mary's apron threw a handful of gold  
Saying, 'Take this me dear for the mischief I've done  
For tonight I've left you with a daughter or a son'.

**Refrein:**

5 Well, if it is a girl child, bring her up to nurse,  
With gold in her pocket and with silver in her purse,  
If it is a boy child he'll wear the jacket blue  
And climbing in the rigging like his daddy ought to do.

**Refrein:**

6 Well listen now fair maidens, a warning take from me,  
And never let a sailor lad an inch above your knee,  
I trusted one, and he beguiled me,  
He left me with a pair of twins to dangle on me knee.

1 Well modern ships, they carry mighty fine gear  
**Get away, get away you shantyman**  
I ain't seen a sail for many a year  
**And they got no use for a shantyman**

**Refrein:**

**Shantyman, oh shantyman**  
**Who's got a berth for a shantyman**  
**We sing you a song and the world goes wrong**  
**And they got no use for a shantyman**

'Get Away' ook zodanig ruw zingen.

2 Everything is now push button and leave  
**Get away, get away you shantyman**  
They got no use for horny-handed heavers  
**And they got no use for a shantyman**

**Refrein:**

3 Those were the days when the times were hard  
**Get away, get away you shantyman**  
Freezing to death on the topsail-yard  
**And they got no use for a shantyman**

**Refrein:**

4 Listen to my song and tell me what to do  
**Get away, get away you shantyman**  
When you're off Cape Stiff with your fuses blew  
**And they got no use for a shantyman**

**Refrein:**

5 Listen on the night when you might hear  
**Get away, get away you shantyman**  
A distant sound of yester-year  
**And they got no use for a shantyman**

**Refrein:**

6 Is it the voice from the distant past  
**Get away, get away you shantyman**  
Or the sound of the wind in your radar mast  
**And they got no use for a shantyman**  
**Refrein: (twee keer)**

 For you stole Treveleyan's corn  
 So the young might see-ee the morn  
 Now a prison ship lies waiting in the bay"

 I rebelled, they ra-an me down  
 Now, you must raise our child with dignity"

Als het anker is gelicht, gaan we naar de oceaan  
Want daar pas voelen wij ons thuis,  
daar vangt ons leven aan.  
We varen heen, we varen weer,  
de zeewind blaast ons schoon  
En als we in de haven zijn, klinkt het op blijde toon

Refrein:

Een zeeman kan niet leven  
Als hij niet varen kan  
Adieu dus vrouw, adieu dus kind  
Ik kom wel weer eens an

We varen op de wilde zee Geen golf is ons te hoog  
En als we in de haven zijn  
Dan houden we `t niet droog  
De lading vast, de trossen los  
En gaan we weer op pad  
De reis duurt vele weken Maar dan hebben we het gehad

Refrein:

En toch als hij op zee is Dan denkt hij vaak aan thuis  
Te midden van de golven  
En van het stormgeruis  
Dus heeft hij eig`lijk nergens rust  
Aan land denkt hij aan zee  
En als hij de golven wiegt Dan wil hij naar de ree

Refrein 2

Adieu dus vrouw, Adieu dus kind

Adieu dus vrouw, adieu dus kind,  
Ik kom wel weer eens.....an.

- 1 Adieu to you my Di-inah, ten thousand times adieu  
We`re going away from the Holy Ground and the girls that we love true  
We will sail the South sea o-over  
And then return for su-ure  
To see again the girls we love  
And the Holy Ground once more

## **Refrein:**

Fine girl you are! (Tenoren)  
**You`re the girl I do ado-ore**  
**And still I live in hopes to see**  
**The Holy Ground once more.**  
**Fine girls you are!**

- 2 And now a storm is ra-aging,  
We are fa-ar from the shore  
The good old ship is tossing about,  
And the rigging is all tore  
And the secret of my life, my girl,  
You're the girl I do ado-ore  
And still I live in hope to see,  
The Holy Ground once more

## **Refrein:**

- 3 And now the storm is o-over,  
And we are safe a-and well  
We will go into a public house,  
And we sit and drink like hell  
We will drink strong ale and po-orter,  
And make the rafters roa-oar  
And when our money is all spent,  
We will go to sea o-once more

- 1 When I was a schoolboy, I lived at home at ease  
 Now I am a trawlin' man, I sail the wintry seas  
 I thought I'd like seafarin' life, it's all right 'till I found  
 It's a damned sight worse than slavery, when we got off the ground

**Refrein:** (Solist: And it was)

**Haul, boys haul / Haul, boys haul**

**Heave away the capstan, lads, and let's get up the trawl**

**When the winds are blowin', the ship's are gently rollin'**

**Miami, Miami, won't you be true to me**

- 2 Now every night in winter, as regular as a clock  
 It's on we all sail Wester, likewise your oilskin frock  
 An then up to the capstan, lads, then we'll heave away  
 Well that's the cry in the middle of the night as well as in the day

**Refrein:** (Solist: And it was)

- 3 No when the fish are up on deck, pilin' to our knees  
 We slip and slide and wonder why we ever went to sea  
 But then ashore we sell the catch. That's easier to bear  
 For it's beer all night in the sailors arms when we get paid our share

**Refrein:** (Solist: And it was)

- 4 With winter passin' over and springtime comin' on  
 We go out in all weathers, no time for beer or song  
 For the fish don't wait for lovers, as you might quickly find  
 Put on your oilskin jacket lad, and leave the girls behind

**Refrein:** (Solist: And it was)

- 5 And when our trip is over, hard up the tiller goes  
 And straight way into Yarmouth with a big jib on her nose  
 And when we reach the pierhead, all the girls will loudly say  
 Here comes our jolly trawlin' lads that have been so long away

**Refrein:** (Solist: And it was)

But if you get too near his tail, he'll kick you to the Devil.

Then over with our blubber hooks and rob him of his hide.

- 1 Oh come all you sailor lads, and listen to my song,  
And when you've heard it, won't you pity me-e,  
For I was a bloody fool, In the port of Liverpool  
The first time that I came home from sea
- 2 I was payed at Rotherhithe, by a man from of the Clyde  
And four pounds ten a month, it was my pay-ay  
And it jingled in my tin, Till I got taken in / by a young girl  
and they call her Maggie May

**Refrein:****Ooh, Maggie, Maggie May,****They've taken you away****To slave upon Van Diemen's cruel sho-o-ore,****You've cheated all the sailors and captains of the whalers****But you'll never walk down Liverpool no more!**

- 3 How well I do remember when I first met Maggie May,  
S'was cruisin' up and down old Canning Pla-ace,  
And she had a figure finer, then the fastest ocean liner  
And being just a sailor I gave chase.
- 4 In the morning I awoke, I was flat and stoney broke,  
No shirt or pants or waistcoat could I fi-ind  
When I asked her where they were,  
She said: 'Jack me dear, they're down in Paddy's pawnshop no.9'

**Refrein:**

- 5 To the pawnshop I did go, no clothes there did I find  
So the scuffers came and took that gal away-ay  
And the Judge and jury found her, for robbing a homeward-bounder  
That dirty robbing whore called Maggie May

**Refrein:**

- 6 I was there right by her side on the night that Maggie died  
And she willed me to her old red flanel drawers  
They were stained with gin and beer, from the front right to the rear,  
Those old red flannel drawers that Maggie wore

**Refrein: (twee keer)**

**Refrein:**

**Her eyes, they shone like the diamonds.  
You'd think she was queen of the land,  
And her hair hung over her shou-oulders,  
Tied up with a black velvet band.**

- 1 In a neat little town they call Belfast, apprentice to trade I was bound.  
And many an hour of sweet happiness I spent in that neat little town.  
Till bad misfortune came o'er me, and caused me to stray from the land  
Far away from my friends and rela-ations.  
They follow the black velvet band.

**Refrein:**

- 2 Well, I went out strolling one evening, not meaning to go very far,  
When I met with a frolicsome damsel. She was selling her trade in the bar.  
A watch she took from a customer, and slipped it right into my hand.  
Then the law came and put me in pri-ison.  
Bad luck to her black velvet band!

**Refrein:**

- 3 Next morning, before judge and jury, for trial I had to appear.  
And the judge, he said: my young fellow, the case against you is quite  
clear.  
And seven long years is your sentence. You're going to Van Diemen's  
Land,  
Far away from your friends and rela-ations.  
They follow the black velvet band."

**Refrein:**

- 4 Now, come all ye jolly young fellows, I'll have you take warnings by me.  
And whenever you're out on the liquor, my lads, beware of the pretty  
colleens.  
For they'll fill you with whiskey and porter, till you are not able to stand.  
And the very next thing that you know, my lads,  
you've landed in Van Diemen's Land.

**Oh, you Rio!**  
We're bound to the south'ard,  
Oh Lord let us go  
For I'm bound for the Rio Grande

Refrein:

1 It was a frosty wintermorn'  
The snow lay on the ground  
A sailor boy stood on the quay  
His ship was outward bound  
His sweetheart standing by his side  
Shed many a bitter tear  
And as he pressed her to his heart  
He whispered in her ear:

**Refrein: 1:**

**Farewell, farewell my own true love, this parting gives me pain  
You'll be my own true guiding star till I return again  
My thoughts shall be of you my love, when storms are raging high  
So farewell love, remember me, your Faithfull sailor boy**

2 It was in a gale, the ship set sail  
His sweetheart standing by  
She watched the ship far out of sight  
Till tears had blend her eyes  
She prayed to God in heaven above  
To guide him on his way  
And then those parting words she heard  
Came rolling on the bay:

**Refrein: 1**

3 But sad to say the ship returned  
Without the sailor boy  
He lost his live far out at sea  
The flag was half-mast high  
And then his comrades came ashore  
And told her he was dead  
In a letter that he wrote to her  
The last lines sadly said:

**Refrein: 2:**

**Farewell, farewell my own true love On earth we meet no more  
We'll meet on the eternal shore On that bright heaven above  
My thoughts have been of you my love  
When storms are raging high  
Now farewell love, remember me Your faithfull sailor boy**

1 'T was a cold and dreary morning in December,  
And all of me money it was spent  
Where it went to oh Lord, I can't remember  
So down to the shipping office went, went, went

Refrein:

Paddy, lay back

Take in your slack

Take a turn around the capstan - heave a pawl - heave a pa-a-awl!

About ship's stations, boys be handy

We're Bound for valaparaiser round the Horn, round the Horn.

2 That day there was a great demand for sailors  
For the Colonies and for Frisco and for France  
So I shipped aboard a limey barque the Hotspur  
And got paralytic drunk on my advance, vance, vance.

Refrein:

3 Although me poor old head was all a-jumping',  
We had to loose her rags the following morn;  
I dreamt the boarding-master I was thumping,  
When I found out he'd sent me around the Horn, Horn, Horn.

Refrein:

4 So there was I once more again at sea, boys,  
The same old ruddy business over again;  
Oh, stamp the capstan round and make some noise, boys,  
And sing again this dear old sweet refrain, sweet refrain

 Nog altijd wordt hier de legende gehoord -  
 Rond de kroeg met de lans en de kroon

 Zijn bier was zo bitter als gal van een stier -

 Hij viel met z'n dronken kop naar benee  
 Een grijns op z'n schunnige bek  
 De zware plavuizen, ze vielen niet mee -  
 En die val kostte Mackey z'n ne-ek

Kom je in Brighton, vraag dan naar de kroeg  
 Aan de muur hing een lans en een kroon  
 Men zal het je wijzen, 't is vlak bij de poort -  
 Zegt men op eerbiedige toon  
 Want 't was eens de kroeg van O'Connell de Ier  
 Hij is al zo'n honderd jaar dood  
 Hij dronk als een gek en was sterk als een stier -  
 En deed alles wat God hem verbood-ood

- 1 Me thinks I see a host of craft, spreading their sails a-lee  
As down the Humber they do glide, all bound for the Northern Sea.  
Me-e thinks I see on each small craft, a crew with hearts so brave  
Setting out to earn their daily bread upon the restless wave.

**Refrein:**

**And it's three score and ten / boys and men / were lost from  
Grimsby town.  
From Yarmouth down to Scarbo-orough many hundreds more  
were drowned.  
Our herring crafts, our tra-awlers, our fishing smacks as well,  
They long did fight that bitter night and battled with the swell.**

- 2 Me thinks I see them yet again as they leave the land behind  
Casting their nets into the sea, the fishing shoals to find.  
Me thinks I see them yet again and all on board's all right,  
With the sails close reefed and the decks all cleared  
and the side lights burning bright.

**Refrein:**

- 3 Me thinks I heard the skipper say: "Now lads, all hands on deck"  
For the sky to all appearances looks like an approaching gale  
Me thinks I see them yet again, after midnight hour is past  
Their tiny crafts where battling still against the icy blast

**Refrein:**

- 4 October's night with such a sight, 'twas never seen before  
There were masts and spars and broken yards came floating to the shore  
There was many a heart of sorrow, there was many a heart so brave  
There was many a hearty fisher lad  
did find a watery grave

**Refrein:**

**Refrein:****It's five o'clock in the morning****Time to get ready, we're sailing away****It's five o'clock in the morning****Time to get ready to sai-ail**

- 1 **We rise in the morning, sail out on the tide**  
Silent we slip / from the quay  
**With the gulls overhead and the seals alongside**  
And proudly we head out to sea

**Refrein:**

- 2 **We'll fish in the Minches, fair weather or foul**  
Living our lives / on the sea  
**It's hard and it's tough and the pay's not enough**  
But what other life can there be?

**Refrein:**

- 3 **A trawler man's plight is to work day and night**  
Grabbing our sleep / in between  
**Casting their nets out and hauling them in.**  
Sometimes not a fish to be seen

**Refrein:**

- 4 **We're cold, tired and hungry and drenched to the skin**  
We head back to Stornoway town  
**Our catch safely landed, we'll have a good dram**  
In The Clachan, The Lewis or Crown

**Refrein: 2X ( 1e a capella, 2e met muziek )**

- 1 Oh, Johnny, Johnny, John,  
come along, come along!  
Oh, Johnny, Johnny, John, come along.  
Don't stand there like a silly old fool  
Don't stand there and do-on 't be so cool.  
Don't feel shy of the ladies,  
And the teeth in his mouth went a-bang!

Refrein: (2X):

Down by the sea,  
Where the watermelons grow.  
Back to my home, I shall not go.  
And shall I dream of love's sweet song.  
Who can be happier / than a sailor / tonight.

- 2 Oh, Johnny, Johnny, John, was a sailor man.  
He had been all around all the day.  
Joking with the ladies, playing hide and seek.  
Happy as the day went a-bang-a-bang-a-bang.  
Not a penny he had to pay,  
For ay-deedle-dy all the day.

Refrein: (2X):

- 3 Oh, Johnny, Johnny, John, take your gun, take your gun-  
There are monkeys in the garden playing in the sun.  
Johnny took his gun and the gun was loaded.  
Pulled on the trigger and the gu-un exploded.  
Ay-deedle bum-bum, ay-deedle bum,  
And he'll never pull the trigger of a gun.

Refrein: (2X):

Aller laatst Refrein: allen eindigen met POM,POM,POM,POM.

- 1 Oh it was in the broad Atlantic, mid the equinoctial gale  
That a young felloow / fell overboard / among the sharks and whales.  
A-and down he went like a streak of light.  
So-o quickly down went he  
U-until he came to a merma-id at the bottom of the deep blue sea..

She-e raised herself on her beautiful tail a-and gave him her soft wet hand

"I've long been waiting / for you my dear, no-ow welcome safe to land  
Go-o back to your messmates for the last time a-and tell them all from me

That you're marri-ed to a merma-id at the bottom of the deep blue sea

Singing: Rule Britannia, Britannia rules the wa-a-a-aves

Britons never, never, never shall be ...

marri-ed to a merma-id at the bottom of the deep blue sea

- 2 We-e sent a boat to look for him, e-expecting to find his corpse  
Whe-en up he came with a bang and a shout and a voice sepulchrally hoarse:  
'My-y comrades and my messmates / o-oh do not look for me  
For I'm marri-ed to a merma-id at the bottom of the deep blue sea'

In my chest you'll find my half year's wage, li-ikewise a lock of hair  
Thi-is locket from my neck you'll take, and bear to my young wife dear  
My 'carte de visite' to my grandmother take, tell her not to weep for me  
For I'm marri-ed to a merma-id at the bottom of the deep blue sea'

Singing: Rule Britannia....

- 3 The-e anchor was weighed, and the sails unfurled and the ship was sailing free  
Whe-en up we went to our cap-i-tan and our tale we told to he  
The-e captain went to the old ship's side a-and out loud bellowed he:  
"Be as happy as you can, with your wife, my man, at the bottom of the deep blue sea"

Singing: Rule Britannia.....

Seemann, Wind und Wellen  
Rufen dich hinaus.

Wartet schon auf dich

- 1 Curaçao, 'k heb jou zo menigmaal bekeken,  
En al jouw loze streken die stane mij niet aan,  
En al jouw loze streken die stane mij niet aan,  
Daarom ga ik vertrekken naar waar ik kom vandaan.

Refrein:

Oo-oo-oo! Oo-oo-oo! (2<sup>e</sup> hóger dan de 1<sup>e</sup>)

Wij gaan u verlaten, Paramaribooo!

Wij gaan u verlaten, Paramaribo.

- 2 'Kwam laatst, met haast, al door het Heerenstraatje,  
Men sprak: "Mijn lieve maatje, kom zet u hier wat neer,  
En drink met ons een glaasje en rook een pijp tabak."  
Met al die loze streken raakt 't geld snel uit je zak

Refrein:

- 3 Een zoen, kan doen, de hele nacht te blijven,  
Dan hoort men niet het kijven van onze officier,  
Zo raken wij aan 't dwalen, zo dronken als een zwijn,  
Het schip ligt voor de palen, en aan boord moeten wij zijn.

Refrein:

- 4 Maak los, de tros, de voor- en achtertouwen,  
Wij zijn niet meer te houwen: wij gaan naar Holland toe,  
Waar is het beter leven, dan bij een blanke vrouw?  
Vervloekt zijn alle hoeren van 't eiland Curaçao.

- 1 Als de klok van Arnemuiden  
Welkom thuis voor ons zal luiden  
Wordt de vreugde  
soms vermengd met droefenis  
Als een schip op zee gebleven is
  
- 2 Aan het strand stil en verlaten  
Bij het klimmen van de maan  
Ziet men daar een aardig paartje  
Zeer van weemoed aangedaan  
Liefste, 'k moet je gaan verlaten  
Morgen ga ik weer naar zee  
En dan trouw ik als ik thuiskom  
Hier op Hollands stille ree  
  
Maar hij keerde nimmer weder  
Want de dood waart om ons heen  
En zij keerde telkens weder  
Aan het strand stil en alleen
  
- 3 Hoor je het ruisen der golven?  
Hoor je het lied van de zee?  
Vaar met me mee  
om de wereld m'n kind  
Kom kus me en ga met me mee  
Vaar met me mee  
om de wereld m'n kind  
Kom kus me en ga met me mee
  
- 4 Meisje, ik ben een zeeman  
Een zeeman is heel vaak van huis  
Meisje, ik ben een zeeman  
Het water, het schip is mijn thuis  
Meisje, ik ben een zeeman  
Kun je wel wachten zo'n lange tijd  
Ik ga je voor heel lang verlaten  
Veel geluk, het ga je goed, mijn lieve meid  
Veel geluk, het ga je goed, mijn lieve meid

- 1 West-zuid-west van Ameland  
Daar ligt een kolkje diep  
Daar vangt men schol en schellevis  
Maar mooie meisjes niet**

**Refrein:**

**Hoog is de zolder, laag is de vloer  
Mooi is het meisje, maar lelijk is de moer**

- 2 Toen 'k laatst van Suriname kwam  
Zag ik van ver een schip  
Dacht dat 't aan de wolken hing  
't zat boven op een klip**

**Refrein:**

- 3 En op die kli-ip een koe  
Een wonderbare koe  
Die alle dagen kalven moest  
Ze was er naar aan toe**

**Refrein:**

- 4 Het was een vru-uchtbaar jaar  
Het was een vruchtbaar jaar  
Dat alle vrouwen kraamden  
En ik de vader waar**

**Refrein:**

- 5 Dit is het einde van ons lied  
Een lied zonder moraal  
Maar als we straks naar huis toe gaan  
Dan zingen we allemaal:**

**Refrein: (*twee keer*)**

Maandag 4 oktober 2010

- 1 Op de woelige baren, bij storm en bij wind  
Denkt hij steeds aan zijn blondje, dat vrolijke kind  
Zij leeft in zijn harte, zij zingt in zijn bloed  
Hij hoort nog haar stemme, in de eb en de vloed
- 2 Op de sluizen van IJmuiden, heb ik jou vaarwel gekust  
Op dat plekje bij de haven, stelde jij mij weer gerust  
Kon mijn tranen niet bedwingen  
Afscheid nemen deed ons zeer  
Op de sluizen van IJmuiden, daar zien wij elkander weer
- 3 Mijn vissersmeisje, kom waag een reisje  
Zing bij dit wijsje een blij refrein  
Het vissersleven zal vreugde geven  
Kom wend de steven, 't zal héérlijk zijn
- 4 Op een zeemansgraf staan nooit geen rode rozen  
Op een zeemansgraf staat zelfs geen houten kruis  
Niemand weet dus wie een rustplaats heeft gekozen  
Op die stille plek zo mijlen ver van huis
- 5 Zie ik de lichtjes van de Schelde  
Dan gaat mijn hart wat sneller slaan  
Ik weet dat jij op mij zult wachten  
En dat je aan de kaai zult staan  
Zie ik de lichtjes van de Schelde  
Is 't of ik in je ogen kijk  
Die zo heel veel liefs vertellen  
Dan ben ik als een prins zo rijk
- 6 Waar het lied der branding ruist bij dag en nacht  
Waar 't vertrouwde huisje altijd op me wacht  
Waar de meeuwen schreeuwen, boven 't golfgedruis  
Daar ben ik geboren, daar voel ik mij thuis  
Waar de klokken luiden, visser vaar naar huis  
Daar ben ik geboren, daar voel ik mij thuis  
Waar de klokken luiden, visser vaar naar huis  
Daar ben ik geboren, daar voel ik mij thuis

- 1 Toen wij van Rotterdam vertrokken, met de Edam, een oude schuit  
Met kakkerlakken in 't midscheeps en rattennesten in 't vooruit  
Toen hadden wij een kleine jongen als ketelbink bij ons aan boord  
Die voor de eerste keer naar zee ging **en nooit van haaien had gehoord**
  
- 2 **Die van zijn moeder aan de kade wat schuchter lachend afscheid nam**  
**Omdat hij haar niet dorst te zoenen**  
**Die straatjongen uit Rotterdam**
  
- 3 Hij werd gescholden door de stokers, omdat ie van de eerste dag  
Toen wij maar net de pier uit waren, al zeeziek in het foxhol lag  
En met jenever en citroenen, werd hij weer op de been gebracht  
Want zieke zeelui zijn nadelig, **en brengen schade aan de vracht**
  
- 4 **Als ie dan sjouwend met zijn ketels**  
**Uit de kombuis naar voren kwam**  
**Dan was het net een brokkie wanhoop**  
**Die straatjongen uit Rotterdam**
  
- 5 En als ie 's avonds in zijn kooi lag, en na zijn sjouwen eind'lijk sliep  
Dan schold de man die wacht te kooi had, omdat ie om zijn moeder riep  
Toen is ie op een mooie morgen, 't was in de Stille Oceaan  
Terwijl ze brulden om hun koffie, **niet van zijn kooigoed opgestaan**
  
- 6 **En toen de stuurman met kinine**  
**En wonderolie bij hem kwam**  
**Vroeg hij een voorschot op z'n gage**  
**Voor 't ouwe mens uit Rotterdam**
  
- 7 In zeildoek en met roosterbaren, werd hij die dag op 't luik gezet  
De kapitein lichtte zijn petje, en sprak met grocstem een gebed  
En met een "**één, twee, drie in Godsnaam**", ging 't ketelbinkie overboord  
Die 't ouwetje niet dorst te zoenen, **omdat dat niet bij zeelui hoort**
  
- 8 **De man een extra slokkie shootan**  
**En 't ouwe mens een telegram**  
**Dat was het einde van een zeeman**  
**Die straatjongen uit Rotterdam**

 Schmeckt kräftig und recht angenehm
